Summary

Pursuing a career in Web Development. Background in leading teams in a retail environment. Passionate about people, workplace culture, and identifying strengths. Trained at UWA coding bootcamp. Enjoy being part of a team. Strong in creativity, motivation, and problem solving, and enjoy building projects from concept through to execution.

Technical Skills

Software Languages: Javascript, CSS, HTML
Softwares/Platforms: React, GraphQL, Node.js, Express, MySQL/Sequelize, NoSQL/Mongoose

Group Projects

Workout Tracker

Github: https://github.com/Flipper5001/workout_tracker

Deployed: https://r7-workout-tracker.herokuapp.com/login

- A place to create and store workouts.
- Responsible for collaboration on initial design, implementation of plotly.js graphing library, handlebars.js and responsive design.
- Javascript, CSS, Node, Express, Handlebars, Plotly.

Recipe Decider

Github: https://github.com/Flipper5001/recipe-decider

Deployed: https://flipper5001.github.io/recipe-decider

- Enter a few ingredients to find meal suggestions, whilst also suggesting a food themed movie.
- Responsible for collaboration on initial design, initial HTML framework to build application from, API research and readme documentation.
- Javascript, CSS, HTML, TheMealDB API.

Experience

Bunnings Warehouse – September 2009 – Current

Undertaken a vast array of roles, mainly centered around team based leadership. Have demonstrated the abilities to consistently be adaptable, flexible, independent, motivated, and a problem solver. Well liked by peers.

- **Assistant Manager Builders Dept** – 2017 – 2018
    - Created a link between the team and management group, saw an increase in productivity.
- **Lead Forklift Driver Logistics** – 2018 – 2022
    - Mentored junior forklift drivers, created procedures and routines around the role leading to better time management.
- **Timber Specialist** – 2022 – present
    - Imparting knowledge to the wider floor team in a more flexible role where I am able to pursue my other passions.

Key Accomplishments

- Have received such awards as Team Member of the Month, Safety Team Member of the Month.
- Excellent track record relating to forklift safety with no major forklift incidents. Trained upwards of 10 forklift drivers, which led to an overall reduction in incidents recorded per quarter
- Cut Shop coach, training up team to operate 2 different timber saws to operate on customer request, signing team off when they have the skills, everyone has left with a clear understanding of what we do, and do not do, no safety incidents have occured to date.

Education

Certificate from Trilogy Coding Bootcamp ran by UWA – May 2022 – November 2022
